

December 2018 and January - February 2019

NCTI OF COLORADO

Challenging people to change - Empowering them to succeed

NCTI
now offering
**Youth Substance
Abuse Class**
(11-15 years Old)

**Traffic fatalities have risen
by 24 percent.**

•At 60 MPH on snowy pavement, winter tires require 310 ft. to stop. All-season tires require more than double that (668 ft.).

NCTI of Colorado classes renew driver awareness to enhance safe driving behavior.

NCTI of Colorado's Responsible Driver Classes are all focused on how attitudes affect behavior.

Is your agency utilizing Cognitive Behavior Change Programs when addressing driver behavior?

Testimonial

Petty theft

"It was nice to come to this class and discuss these issues with people who also made mistakes like I did. The class also helped me realize that there are many habits and things I need to fix."

Denver Metro Area Class Dates & Announcements
