Challenging people to change - Empowering them to succeed

## NCTI now offering Youth Substance Abuse Class (11-15 years Old)

**Traffic fatalities have risen by 24 percent.**

•At 60 MPH on snowy pavement, winter tires require 310 ft. to stop. All-season tires require more than double that (668 ft.).

NCTI of Colorado classes renew driver awareness to enhance safe driving behavior.

NCTI of Colorado's Responsible Driver Classes are all focused on how attitudes affect behavior.

Is your agency utilizing Cognitive Behavior Change Programs when addressing driver behavior?

### Testimonial

#### Level I

"This class was a reminder about my driving habits and how much it can affect others. Even if no one hurt, or no one else there; Something happens as a result and things can change quickly."
